Financial Assistance Policy (FAP)

PURPOSE:

It is the policy of Hugh Chatham Memorial Hospital to assess and provide financial assistance to those patients deemed appropriate based on their individual ability to pay.

POLICIES:

Hugh Chatham Memorial Hospital will give uncompensated care as a community service to those who require medical care, but are unable to pay and have been denied for Medicaid eligibility. This community service will be available to all persons residing in the service area without discrimination based upon race, color, national origin, creed or other grounds unrelated to the individuals need for the service of this facility.

· Uncompensated care for Inpatient and Outpatient Hospital Facility Claims may be given in full or partial based upon the applicant's ability to pay in relation to federal poverty level guidelines. Consideration for uncompensated care will be based upon a graduated scale compliant with NC DHHS Medical Debt Mitigation Policy guidelines under the following criteria; at thresholds measured against Federal Poverty Level (FPL), consistent for uninsured and insured individuals residing in the state of NC

Presumptive Screening/Eligibility

Hugh Chatham Health understands that not all patients are able to complete a financial assistance application or comply with requests for documentation. Hugh Chatham Health may engage in a review of publicly-available information to establish such patients' qualification for financial assistance ("presumptive eligibility screening"). Presumptive eligibility screening enables Hugh Chatham Health to systematically identify financially in need patients, reduce administrative burdens, and provide financial assistance to patients and their guarantors.

a. Hugh Chatham Health may use a third party to conduct a review of publicly-available information

about the patient or guarantor to assess financial need. In no event will Hugh Chatham Health or the third party access the patient's or guarantor's credit file.

b. Presumptive eligibility may be granted to patients based on their eligibility for other programs or life circumstances such as: homelessness or receipt of care from a homeless clinic or shelter patient deceased with no known estate; Women, Infants and Children (WIC) program; Enrollment in Medicaid of patient or a child in their household, SNAP benefits (Supplemental Nutritional Assistance Program, (formerly known as Food Stamps) as proof of need and are therefore presumptively eligible). Minors 17 years of age or younger who are deemed financially responsible for a minor child who has received services at Hugh Chatham Health, Minors 17 years of age or younger who Hugh Chatham Health was unable to obtain a parent or legal guardian to be financially responsible for services rendered to the minor. Hugh Chatham Health will not hold financial responsibility to members of a house hold for adults over 18 years of age unless specifically documented through a legal agreement. Eligibility in other state or local assistance programs, such as Victims of Violent Crimes or Mental incapacitation with no one to act on the patient's behalf.

c. The data returned from the presumptive eligibility review will constitute adequate.
